

4th annual Data for ERM & Solvency II conference 26 April, Hilton London Bankside

MBE is delighted to be sponsoring InsuranceERM's [4th annual Data for ERM & Solvency II conference](#) on 26 April in London and we have negotiated a **special 50% discount** for you to attend.

Network, discuss & benchmark your use of data for sound enterprise risk management with 100+ delegates, more than half from re/insurance firms.

[Book](#) now and you'll join representatives from:

Achmea, AIG, Allianz, ArgoGlobal, Assicurazioni Generali, Aviva, Chaucer Syndicates, Chubb, Darta Savings Life Assurance, Delta Lloyd Group, FM Insurance, General Re, Gjensidige, Hiscox, Just Retirement, Legal & General, Munich Re, NFU Mutual, NN Group, Phoenix Group, RiverStone, Royal London Group, Swiss Re, Talbot Underwriting, The Co-operative Insurance, Tokio Marine Kiln, Torus, Vitality Health, Wesleyan, Zurich and many more.

The following **regulators** will participate and offer their insights to the debate:

Bank of England, Central Bank of Ireland, De Nederlandsche Bank, EIOPA, European Central Bank, Financial Market Authority Liechtenstein, Italian Insurance Supervisory Authority, Prudential Regulation Authority.

Some of the forward thinking sessions you can't afford to miss include:

- Examining the business value of data gathered for Solvency II
- Regulatory perspective: lessons learnt and expectations post January 2016
- Examining the merits and role of a dedicated data office
- Solvency II Pillar 3 - reporting to a tighter timescale
- Turning risk data into information to aid decision-making
- The evolution of risk modelling
- Data management in an M&A situation
- Ensuring that your data governance framework is sufficiently agile to cope with the changing regulatory landscape
- Sourcing data from investment portfolios
- Discharging Solvency II responsibilities: a Board perspective

If you would like to register please use VIP code: MBE50 to receive the 50% discount.

To register, please email Tommaso.Dimitri@fieldgibsonmedia.com or visit the conference website at <http://www.insuranceerm.com/data16>.

We look forward to welcoming you in London.

Best regards,

MBE
