Luca Rossetti

Director, Insurance Services, MBE Italia Insurance Solutions

What drew you to your chosen career in MBE?

MBE Italia Insurance Solutions is an exclusive opportunity for my career. I was fascinated by the entrepreneurial approach of the MBE management team and the combination of the client-oriented view of MBE with the open innovation approach demonstrated in the last few years.

I'm proud to lead the Italian practice, encouraging my team to adopt high standards of excellence and leveraging on the experience gained in the most important management consulting networks.

What do you enjoy most about your job within MBE?

I enjoy assisting clients with the best independent insight, always consistent with emerging technologies and innovative solutions.

I believe that the open-minded approach to business transformation is the only way to contribute to the success of clients. For this reason, I have opened several channels in LinkedIn ([Prophet Users Group](#) and [IFRS 17 - Insurance Contract Standards](#)) to facilitate knowledge transfer and encourage discussions.

How does the concept of change play a role in your work?

Change is the big and constant challenge of the insurance sector, due to the emerging technologies and compliance with new regulation. Change refers to people, systems and processes and it represents a recurrent way to transform opportunity costs into opportunities for growth. I'm passionate about finding the best approach to solving problems and derive great satisfaction from receiving confirmation that value add has been created by my support.

What's your approach to working with people of different temperaments and experience?

I believe people produce the best results when they are happy and relaxed in their working environment. Generally, I trust my team completely, I give them full autonomy to achieve shared results. Investing all my effort in creating opportunities for all levels of organisation, I'm very demanding in terms of effort and responsibility towards project objectives.

I'm going to the bar, what are you drinking?

I really love Italian wines and Prosecco.

What do you do to decompress after a busy week?

I love to run and to go for long walks during the weekend with my wife, Michela, and our two daughters, Lucilla and Giulia.
